

Want To Work With Children

Gloucestershire County Council have posted information and advice about working in 'early years and childcare' and other related careers on their website. This new web based service has been developed in response to the Early Years & Childcare Information, Advice and Guidance Strategy and Action Plan to provide access to up to date and relevant information and to ensure reduced resources in the Local Authority are targeted in the most effective and sustainable way.

The website features career profiles of local practitioners, FAQs and links to information about relevant qualifications for working in early years and childcare. Please click on this link to have a look:

Please raise awareness by forwarding this information to anyone who you think might be interested.
